Subject: cadmium briefing document for Joel for OD review
Cadmium Aquatic Life Criteria - Draft Briefing for OW DAA on 3-23-16.docx

Betsy, this is the briefing document we developed for cadmium. Please let us know what you think. Especially about the ESA part.

Also we have two versions of the cadmium document: a “clean” version and a “document-compare” version which shows where all changes were made subsequent to proposal. Do you want to review either? Should we provide either to Joel or Ellen?
